

PACK PACK PACK !

Brampton Area presents: The Cub Challenge Cup (For the 2007/2008 Season)

The Cub Challenge Cup is a series of events that are planned for the 2007/2008 Scouting season. While all three events are separate (attend only those that you wish to) they have been designed to compliment each other. Each event will consist of a large variety of different program choices, each with a point value. Easy activities will receive fewer points than harder ones. At the end of the day each Pack's score will be added up at the end of the day to see who is awarded the Cub Challenge Cup for that event. There will be no set rotations for these events; you get to choose what you would like to do! Please keep in mind that this is intended to CHALLENGE your Cubs, not to discourage them, so all events will be designed for the Cub age level. Also while there can only be one Challenge Cup winner there will also be several other team and individual awards as well.
