Commissioner Corner

Welcome back to all returning members and welcome aboard to all new comers.

What a wild summer, the first only week long Centennial Cub Jamboree (over 600 in attendance. The Canadian Jamboree 2007 (over 8000 in attendance). The 21st World Jamboree held where it all began in England, over 42000. Yes thousand in attendance. Every Scouting country had representation this year for the first time ever and how fitting for our 100th Anniversary.

Where were you at 8:00am August 1st 2007?

I ask everyone to send in a letter or comment how you celebrated this commemorative day?

My self I was at the sunrise ceremony at the Centennial Cub Jamboree reaffirming my Scout Promise with over 600 members.

Brian Jeffery (Skip) of the 5th Bramalea was at the Brampton Scout house with 40 other members, you may have seen Brian's picture in the paper. He looked so proud to be a Scouter. Brain was in Scouting for over 50 years, in England , Toronto and finally in Brampton.

The Scouting calendar is packed full again this year so start your planning. I will try to keep the events posted and the calendar up to date. Visit our new website at www.bramptonscouts.com for a list of upcoming events.

I am going to try some things differently this year, to start with the Area meeting will be open to all members not just Team members. The dates will posted on the Area website, if you are looking for information or have some information to pass on come out

There will be some incentives to help on and organizing Area events, come to the meeting for details Let work together to make a better Brampton Area.

Gone Home

It is unfortunate but Brian Jeffery passed away on August 18th 2007 as all Scouters, Brian has Gone Home and walks the trails with BP.
Happy Trails Brian
