Commissioner's Corner

Summer is just around the corner and we can breathe that sigh of relief that once again we have completed another Scouting year and did it well.

As your Area Commissioner you had ask me to get us more exposure to the public, and get us back to doing some of the things we use to do. Well I have been in touch with the city of Brampton and will have a location at the July 1st Canada Day celebration at Chingacousy Park. But now it is your turn, I need volunteers to help out that day. We will be running games and activities and building a mosaic of stars.

The City has given us another opportunity to show the public who we are.

We have been ask to participate in the Flower city parade on June 18th. as banner bearers. We need youth that will be able to carry the Banner from the GO Station down past Gage park. (Cubs and Up)

Please contact me as soon as possible as we have to work quickly as this event is coming up fast and the spots are filling up fast.

Scouts About being held at Brampton Scouts house last week of July and first week of August

These are a week long programs being held for ages 5 to 7 and 8 to 11 we are still looking for volunteers to help with the program.

If you know someone, i.e. entering in the Early Child Development field or Teachers needing Volunteer time this summer or maybe a Leader already in Scouting with some free time this summer. We would be interested in discussing the opportunity of working with them.

I want to thank 24th Brampton and 18th Bramalea for inviting me to your camps and 2nd Bramalea for the Airport Fire hall tour

I wish to thank everyone for your support these past few months and look forward to working with you all again

Have a safe and happy summer

Good Scouting

Fred Mertinz

Brampton Area Commissioner

The Apple Day Committee is looking for a driver for this year's Apple Day taking place on the weekend of October 14th. The applicant must be able to arrange to be free the entire Friday, Saturday, and Sunday, since apples are picked up Friday morning, and the truck must be returned Sunday afternoon. All interested parties may respond to the Apple Day Committee Chair, Denis McKeegan (denismckeegan@sympatico.ca).

The position of Apple Day Treasurer is available as well. Although experience in an accounting background helps, it is not entirely necessary. All documents and training will be made available to the successful candidate.

The positions are open to registered members in good standing, of a Brampton Area group.

**Yours in Scouting,
Terry Spiliadis**

Committee Treasurer
